## Neck Disability Index<sup>1</sup>

Name:			Date:			
pai the sta	This questionnaire has been designed to give your health professional information as to how your neck pain has affected your ability to manage in everyday life <sup>2</sup> . Please answer every section and mark only the ONE box in each section which applies to you. We realise you may consider that two of the statements in any one section relate to you, but please just mark the box which most closely describes your problem.					
Pa	in Intensity		I can read as much as I want to with moderate			
	Pain intensity I have no pain at the moment.		pain in my neck.			
	The pain is very mild at the moment.		I cannot read as much as I want because of			
	The pain is moderate at the moment.	_	moderate pain in my neck.			
	The pain is fairly severe at the moment.	ш	I can hardly read at all because of severe pain			
	The pain is very severe at the moment.		in my neck.			
	The pain is the worst imaginable at the	Ц	I cannot read at all.			
	moment.	He	eadaches			
Pe	ersonal Care (e.g., Washing, Dressing)		I have no headaches at all.			
	I can look after myself normally without		I have slight headaches, which come			
	causing extra pain.		infrequently.			
	I can look after myself normally but it causes		I have moderate headaches which come			
_	extra pain.		infrequently.			
Ц	It is painful to look after myself and I am slow		I have moderate headaches which come frequently.			
	and careful.  I need some help but manage most of my		I have severe headaches which come			
ч	personal care.		frequently.			
	I need help every day in most aspects of my		I have headaches almost all the time			
	self care.	<b>C</b> -	anaontration			
	I do not get dressed, I wash with difficulty and		oncentration			
	stay in bed.		I can concentrate fully when I want to with no difficulty.			
Lifting			I can concentrate fully when I want to with			
	I can lift heavy weights without extra pain.		slight difficulty.			
	I can lift heavy weights but it gives extra pain.		I have a fair degree of difficulty in			
	Pain prevents me from lifting heavy weights		concentrating when I want to.			
	off the floor, but I can manage if they are		I have a lot of difficulty in concentrating when I			
	conveniently positioned, for example on a		want to.			
	table.		I have a great deal of difficulty in			
	Pain prevents me from lifting heavy weights,		concentrating when I want to.			
	but I can manage light to medium weights if	Ц	I cannot concentrate at all.			
	they are conveniently positioned.	W	ork			
	I can lift very light weights. I cannot lift or carry anything at all.		I can do as much work as I want to.			
_	realist intersecting at all.		I can only do my usual work, but no more.			
Reading			I can do most of my usual work, but no more.			
	I can read as much as I want to with no pain		I cannot do my usual work.			
_	in my neck.		I can hardly do any work at all.			
	I can read as much as I want to with slight	Ц	I cannot do any work at all.			
	pain in my neck.	Dr	iving			
			I can drive my car without any neck pain.			

	I can drive my car as long as I want with slight		My sleep is greatly disturbed (3-5 hrs				
	pain in my neck.		sleepless).				
_	I can drive my car as long as I want with		My sleep is completely disturbed (5-7 hrs				
	moderate pain in my neck.		sleepless).				
	I cannot drive my car as long as I want	Re	ecreation				
	because of moderate pain in my neck.		I am able to engage in all my recreation				
	I can hardly drive at all because of severe	_	activities with no neck pain at all.				
_	pain in my neck.		I am able to engage in all my recreation				
	I cannot drive my car at all.	_	activities, with some pain in my neck.				
SI	eeping		I am able to engage in most, but not all, of my				
	I have no trouble sleeping.	_	usual recreational activities because of pain in				
	My sleep is slightly disturbed (less than 1 hr		my neck.				
_	sleepless).		I am able to engage in a few of my usual
